Discontinuance Notification PDCN2403-01**Summary:**

We would like to inform you about the discontinuation of all camera models based on SONY ICX image sensors (affected the SVS-Vistek ECO series).

Purpose and description:

SVS-Vistek offers a Last Time Buy period, effective immediately and concluding on the 31st of August 2024, accompanied by an extended Last Time Delivery phase. This approach recognizes the difficulties caused by the discontinuation for our customers and partners.

- Last-Time-Buy (LTB): **31.08.2024**
- Last-Time-Delivery (LTD): **31.08.2026**

Please note, that all customized camera-versions of the listed models also are affected.

Your designated SVS-Vistek Sales Manager will be in touch with you to initiate the necessary discussions. If you are considering migration beyond the current CCD-based camera technology, we are pleased to offer our support and guidance through our dedicated technical team and in-house expertise. As part of the TKH Vision, we are committed to assisting you in finding a solution that also goes beyond our current product portfolio.

Please note that special terms and conditions apply.

Thank you for using SVS-VISTEK cameras and your continued cooperation is very much appreciated.
